

INTERNATIONAL  
**Convention on Colorants - 2009**

The Club, Andheri (West), Mumbai - 5th and 6th February 2009

## Chair - Session II

**Dr. Uday T. Nabar**

Dr. Uday Nabar is M.Sc., Ph.D in Organic Chemistry from University Department of Chemical Technology, Mumbai. His academic research interest covered heterocyclic compounds and anthraquinone based disperse dyes.

He has rich industrial experience of 31 years in Clariant Chemicals (India) Ltd and erstwhile Colour-Chem Ltd; World's leaders in specialty chemicals. He has made several contributions while working in R&D, process control & production departments.

Presently, in his capacity as Vice President-Innovation & Technology he is responsible for research as well as product and process development and optimization. As a member of the Divisional Management Committee, he contributes to the overall business and operations of the Division Pigments and Additives.

He has acquired two patents and has also authored several research and review papers in scientific journals and other publications.

Dr. Nabar has traveled extensively in Germany, France and Spain to visit Hoechst and Clariant production plants, process development, research and application laboratories. He has been a visiting faculty to University Department of Chemical Technology, member of the senate and also examiner for M. Tech and PhD candidates.
