

INTERNATIONAL Convention on Colorants - 2007

Chair - Session 2 Dr. G.G. Patkar

Govind Patkar had his early education in Mumbai and Indore. After graduating in Science in 1967 he joined UDCT and completed B.Sc. (Tech.) in 1970. He further enrolled himself for performing research work under the guidance of Prof. S.V. Sunthakar at UDCT and was awarded the Doctorate [Ph.D (Tech.)] in 1976. During this period, he conducted novel studies in the field of Reactive and Disperse dyes.

On completion of his research work at UDCT, he was recruited by M/s Colour-Chem Ltd. and joined their R&D Department at Thane Works in April 1976. Since then he has had varied experience that spans R&D, Production and General Management.

Presently, he is Head of Division Pigments & Additives, and is a member of the Country Management Committee of Clariant Chemicals (I) Ltd. – a company formed by merging all Clariant affiliates in India w.e.f. April 2006. During these three decades, he has had exposure to technical and management related national and international training programmes.

He had been associated with various Industry associations such as – Indian Chemical Manufacturer's Association (ICMA), Dyestuffs Manufacturers' Association of India (DMAI) and Thane Manufacturers Association (TMA) in the recent past.
