

Thursday, 28 February 2019

8:00-09:00

09:00-10:40

Registration and Breakfast

Plenary Session

Keynote Speaker: Dr. Swaminathan Sivaram

Former Director, National Chemical Laboratory, Pune

- The Future of Colors: Arts, Science, Technology and Applications

Tea Break

10:40-11:15

11:15-12:55

Session I: Functional Colorants

Chairman: Prof. Dr. V. R. Kanetkar

Prof. Valerii Traven, *Chair of Higher Chemical College*

D Mendeleev University of Chemical Technology, Russia

- Coumarin Dye-stuffs for New Photo Technologies

Prof. Parameswar Iyer, *Indian Institute of Technology - Guwahati*

- Unique Aggregation-Induced Emission Materials for

Sensors, Latent Finger Printing and Optoelectronic Devices

Lunch Break

12:55-14:00

14:00-16:00

Session II: Process Development

Chairman: Prof. P. M. Bhate

Mr. Vikas Vidwans - *Vice President – Design and Projects, Gharda Chemicals*

- Beyond Scale-up

Prof. Shufen Zhang, *Changjiang Distinguished Professor, Dalian*

University of Technology, China

- Technology for the Continuous Manufacture of Azo Dyes

Dr. Frank Bachmann, *Team Leader – Performance Products*

Discovery, BASF Chemicals India Pvt. Ltd.

- Specialty Colorants for Industrial Applications

Tea Break

16:00-16:20

16:20-17:35

Session III: Panel Discussion

- *Sustaining Colorants Business in the 21st Century*

Moderator: Mr. Janak Mehta - *Chairman - Asia Dyestuff Industry Federation*

Panelists: **Mr. Adnan Ahmad** - *Region Head – India, Clariant*

Mr. Shao Bojin

President - Zhejiang Jihua Group Co. Ltd., China

Dr. James C. H. Chen - *Chairman*

Everlight Chemical Industrial Corporation, Taiwan

Dr. G. V. G. Rao - *President - Colors Business, Atul Ltd, India*

Mr. Xu Wanfu

General Manager - Zhejiang Runtu Co Ltd, China

Mr. Shi Xianping

Chairman - China Dyestuff Industry Association

17:35-19:00

19:00 onwards

Poster Session

Cocktails and Dinner

Friday, 1 March 2019

09:00-10:00

10:00-11:00

Registration and Breakfast

Address: Guest of Honor Dr. Raman Ramachandran

Chairman and Managing Director, BASF India Ltd.

- Chemistry powers sustainability

11:00-11:20

11:20-13:00

Tea Break

Session IV: Functional Colorants

Chairman: Prof. Dr. G. S. Shankarling

Prof. Kazuchika Ohta

Emeritus Professor, Shinshu University, Japan

- Synthesis and Physical Properties of Color Liquid Crystals Transition Metal Complexes

Prof. Anindya Datta

Head - Department of Chemistry

Indian Institute of Technology - Bombay, Mumbai

- Excited State Processes in Colorants of Today and Tomorrow

13:00-14:00

14:00-15:40

Lunch Break

Session V: Aesthetic Colorants

Chairman: Dr. Shavak Bhungara

Dr. Winston Chen

Head of R&D Centre, Everlight Chemical Industrial Corporation, Taiwan

- Development of Reactive Tertiary Colors for Right First Time Production

Dr. Andrew Jackson

Global Head – Product Management OBA, Archroma Management LLC, Switzerland

- Whiteness Solutions for Paper

15:40-16:00

16:00-17:40

Tea Break

Session VI: Regulatory Compliance

Chairman: Dr. Dileep Wakankar

Dr. Pankaj Desai

R&D Head, Colourtex Industries Pvt. Ltd.

- Ecological Compliance in Synthetic Organic Dyes – New Challenges

Dr. Siva Rama Kumar Pariti

Senior Technical Marketing Officer, Sustainable Textile Solutions

- Sustainable Manufacturing Approaches

17:40-18:30

Valedictory Session

Moderator: Mr. Virendra Widge

Convener, Publicity & Publication Committee, 1st Vice President, DMAI

18:30 onwards

Cocktails and Dinner
