Session VII

Process Intensification

Session Chair

Prof. V. R. Kanetkar

Ex-Emeritus Professor,
Institute of Chemical Technology

Prof. V.R. Kanetkar is currently an advisor for chemical technology. He has been associated with the field of dyes, pigments, functional colorants, perfumery intermediates and natural product extraction for 35 years. He was the former Head of Dyestuff Technology Department, ICT. He has completed more than 100 industrial assignments and has worked on different national and international projects involving laser dyes, dye-doped polymeric laser materials and blue absorbing optical data storage colorants. He has 33 publications and 17 reviews in various national and international journals. He has presented 50 papers at national and international conferences. He has guided 48 post graduate students for their master's and doctoral degrees.

Prof. Kanetkar was a UNIDO expert from 1988-91 and was the recipient of the Best Teacher Award for Technical Education from Government of Maharashtra in 2008. He is a Fellow of Maharashtra Academy of Sciences; Life Member, Indian Chemical Society and was Member, Board of Governors, ICT during 2004-2008.
